

K-LOVE is a very important radio station to me and my family. I have two young children who love to listen to the music on this station and I love that I know I don't have to worry about what they are hearing. There is so much negative influence out there

for our children to hear that it would be awful to do away with a radio station that sends out such a positive and encouraging message. If you allow this station to be displaced by an LPFM broadcaster you will be taking away a vital service to our community. We need more positive stations for our children to hear not less!

Thank you for your time.
